Hi Brian,

I'm working on my talk for Ontario. Is there something you want me to specifically cover? I'll mostly talk about the health and regulatory aspects, and mention the treatment approaches. Would expect others to go into detail on treatment, engineering, construction, and O&M.

Yes please plan on attending Ontario. We will give you the morning slot for about 45 min.

Thanks

Hi Brian,  
I've been waiting for directions from EPA HQ regarding travel under the sequestration, but we haven't gotten anything more than "no travel unless it is mission critical". Bottom line, this isn't mission critical. So I won't be able to do the 3/20 Barstow talk, as much as I'd like to visit the area and go over to Hinkley to look at the Cr6 treatment facilities. However, as it happens, I'll be traveling from San Diego to Santa Barbara on 3/21, and could swing by Ontario on the way and talk at that event. I actually have a few free hours, and like to talk on arsenic, so it'd be a fit. Would that help you out some? Happy to do that.

Bruce,

I left you a message on your voice mail, just wanted to check in with you and see if you got the go ahead to come to the Arsenic Symposiums. Information attached and listed below.

**Barstow**

March 20, 2013, Wednesday, 8:30 am – 3:30 pm

As of today we have **42 registrants** for this “*Arsenic Symposium*”. The details are outlined below.

**LOCATION:**

Holiday Inn Express, 2700 Lenwood Road, Barstow, CA 92311 – Telephone 760-253-9200

**MEETING ROOM:**

The workshop will be held in the **SIDEWINDER A&B ROOM**. I asked for the meeting room to be set in crescent rounds for 60 people and for the room to be ready for your set up by 7am. I also asked for an AV screen in front, a table for your laptop and LCD projector in front of the screen and a registration table by the entrance to the room. I also asked that the beverage table be in the back of the meeting room.

**Ontario**

March 21, 2013, Thursday, 8:30 am – 3:30 pm

As of today we have **68 registrants** for this “*Arsenic Symposium*”. The details are outlined below.

**LOCATION:**

Ayres Hotel Ontario Convention Center, 1945 E. Holt Blvd., Ontario, CA 91761 – Telephone 909-390-7778

**MEETING ROOM:**

The workshop will be held in the **GRAND BALLROOM (all 3 sections)**. I asked for the meeting room to be set in crescent rounds for 100 people and for the room to be ready for your set up by 7am. I also asked for an AV screen in front, a table for your laptop and LCD projector in front of the screen and a registration table by the entrance to the room. I also asked that the beverage table be in the back of the meeting room.
